Heart And Soul

Kenny G

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye and she got on a plane
Never to return again
But always in my heart
girlThis love has taken its toll on me
She said Goodbye, too many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore
I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave againThis love has taken its toll on me
She said Goodbye too many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymoreI'll fix these broken things
Repair your broken wings
And make sure everything's alright
My pressure on her hips
Sinking my fingertips
Into every inch of you
Cause I know that's what you want me to do
This love has taken its toll on me
She said Goodbye too many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymoreThis love has taken its toll on me
She said Goodbye too many times before
my heart is breaking in front of me
She said Goodbye too many times beforeThis love has taken its toll on me
She said Goodbye too many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymoreThis love has taken its toll on me
She said Goodbye too many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore
