Armor

Sara Bareilles

[Verse 1]
Let it begin, let Adam in
Step one: Original Sin
Underneath the leaves, Adam found Eve
Both of them found something sweet under the apple tree
Then it was over, roads divide
Step two: learning how to lie
Let me ask a question to present day:
How the hell did Eve end up with all the damn blame?
All the damn blame
[Verse 2]
To all the dirty looks, the kitty cat calls
To the ones who try and throw us up against the back walls
Let me tell you something you'll understand:
Only the little boys tell you they're a big man
To all my sisters and all our friends
We have to thank them, please
Strength means blessed with an enemy
[Chorus]
Oh, my, my, my, my armor comes from you
You make me try, try, try, try harder
Oh, that's all I ever do, ever do
Oh, no no, my, my, my, my armor comes from you
You make me stronger, stronger
Now, hand me my armor
(Hand me my armor, hand me my armor)
