Got the whips, got the hoes  
Got the ice, got the clothes  
Niggas know that keys open doors  
Half price nigga keep the O's  
Keep the O's, nigga keep the O's  
Know they call me Mr. Treat Your Nose  
Keep the O's, nigga keep the O's  
Know they know me by treat your noseSkrr [?] on the ass and  
In the grass

Open curtain, flow inversion, golden person  
Yeah I'm nerdy, yeah I'm swerving  
Yeah you heard meGot the whips, got the hoes  
Got the ice, got the clothes  
Niggas know that keys open doors  
Half price nigga keep the O's  
Keep the O's, nigga keep the O's  
Know they call me Mr. Treat Your Nose  
Keep the O's, nigga keep the O's  
Know they know me by treat your noseGot the whips, got the hoes  
Got the ice, got the clothes  
Niggas know that keys open doors  
Half price nigga keep the O's  
Keep the O's, nigga keep the O's  
Know they call me Mr. Treat Your Nose  
Keep the O's, nigga keep the O's  
Know they know me by treat your noseMy garden's full from breaking these hoes  
A hand full of green and a couple of stones  
Your lawnmower foreign, you rented a home  
But nigga, how much of that shit do you own?  
See me, I don't compromise, I know my conscience  
Fuck your compliments, bitch I got confidence  
I don't need your approval, my nigga you suck  
I do not have to adjust  
So shut the fuck up  
Evil Knieval  
Hoping them niggas see itBack to the garden

Niggas gon' do dirty  
Killing your flowers All you stupid niggas Got the whips, got the hoes  
Got the ice, got the clothes  
Niggas know that keys open doors  
Half price nigga keep the O's  
Keep the O's, you gotta keep the O's You gotta keep the O's  
Cause you never know when it's over  
You want the doors that go up  
You want the girls with the big butts  
You want the diamonds, you want the stones  
You gotta stunt on these niggas  
Stunt on these niggas one time Find your wings  
And fly  
You'll find your wings  
(You'll find your wings)  
Learn how to fly  
(Learn how to fly) What I want you to do  
(What I want you to do) You'll find your wings  
Learn how to fly  
(Learn) I'm rapping about diamonds, and cars, and money now  
What the fuck has gotten into me, man
