A Moment Of Time

Edenbridge

Farewell
Yesterday when we were young
Like a flower in the desert sand
So transient the cycle of life[Chorus]
Within a moment of time
Within a while of a years' decline
The brightest of stars above
In night-time skies divineHere
It is an everflowing stream
When they are coming to redeem
Us from the night
That never sees the day[Chorus]And when the years passing by
No one will answer no one will cry
The solace in sea of tears
Into a new sunshineGlory ascending
From days never ending
Unfold your dreams right now[Chorus]
