The Dawn (Matt Erickson Remix)

Julianna Zobrist

I hear you
I see you, I know you, I am you
You wonder if you've lost it all
Wonder if you've hit the wallYour dream has been broken
Your heart is wide open
You wonder if you still believe
If you'll ever find some peace(CHORUS)
You are never ruined
Never too far gone
As long as you're still breathing
You can carry on
Hold onto God's promise
Let hope become your song
The night is almost over
Keep watching for the dawnThere's love for the lonely
'Cause you're not the only
One that's wandered down this road
I'm here, l'll be your hand to holdLet's walk on together
With Jesus we'll never
Have to face the fear alone
Trust Him, He will lead us home(CHORUS)
You are never ruined
Never too far gone
As long as you're still breathing
You can carry on
Hold onto God's promise
Let hope become your song
The night is almost over
Keep watching for the dawnLet the crushed bones rejoice
Let the heavy hearts make a holy noise
Let the flood of mercy reign
'Till the world is drowned in graceDrown us in Your grace(CHORUS)
You are never ruined
Never too far gone
As long as you're still breathing
You can carry on
Hold onto God's promise
Let hope become your song
The night is almost over

Keep watching for the dawn
