

# How Still My Love

## Stevie Nicks

Still the same old story  
What price glory  
You make it easy  
In the still of the night  
In the still of the night  
How still my love  
In the still of the night  
How still my Doing all you can for me  
They say you're not the man for me  
Don't make it easy  
In the still of the night  
In the still of the night  
How still my love  
In the still of the night  
How still my Standing in the doorway  
Watching out to sea  
Calling out to me  
You go your way  
Go on go on  
But you won't forget me  
Ooo no, you don't forget me  
Ooo no, my lonely one Doing all you can for me  
They say you're not the man for me  
I don't make it easy  
In the still of the night  
Me talking to you How still my love  
In the still of the night  
How still my love  
In the still of the night  
It's me that's talking' to you  
In the still of the night  
It's me that's talking' to you  
In the still of the night
