The Magnetic Fields

Masterpiece of catastrophic love
In a small New England town
Ninety-five pages of tragedy
Difficult to put downLa la la la la la la la la la la
Ethan Frome
La la la la la la la la la la
Ethan FromeCame to light in 1911
Overnight lit-fic classic
Bringing fame to Edith Wharton
And fortune to Scribner's sons
La la la la la la la la la la
Ethan Frome
La la la la la la la la la la
Ethan FromeI first read you on my birthday
And again umpteen more times
When will they make you a musical
There have been far worse crimesLa la la la la la la la la la la
Ethan Frome
La la la la la la la la la la
Ethan Frome
