Life is hard, life is short
Pained by laws like Billy Club
Life is hard, life is short
Pained by laws like Billy ClubScatter scram, here's the man
Laws to bend that hurts like hell
Zig zag, check attack
Joke is back and hurts like hellHear the call, run and fall
Taking trolls, that hurt like hell
Scatter scram, here's the man
Laws to bend that hurts like hellCautious, ambitious
When the richest max to the fullest
Be the coolest Mr. Nuisance
Mogul cruisin', memo usin'Tax rate abusin', counterfeit usin'
Snake attack, impostor dealin' with the roster
Two-face, Harvey Dent coin tosser
Get the hunger with the sensation mongerGues who, gues who
Gues who, guess who stays youngerLife is hard, life is short
Pained by laws like Billy Club
Life is hard, life is short
Pained by laws like Billy ClubScatter scram, scatter scram
Scatter scram, Billy Club
Scatter scram, scatter scram
Scatter scram, Billy ClubScatter scram, here's the man
Laws to bend that hurts like hell
Zig zag, check attack
Joke is back and hurts like hellHear the call, run and fall
Taking trolls, that hurt like hell
Scatter scram, here's the man
Laws to bend that hurts like hell
