

# Night Swim

NT89

I know you said, let me go, oh, oh  
I know you said, let me go, oh, oh Only up, only up  
Oh ... lay me up, can you lay me up  
Only up, only up  
Oh ... lay me up, can you lay me up I know you said, let me go, oh, oh  
I know you said, let me go, oh, oh Only up, only up  
Oh ... lay me up, can you lay me up  
Only up, only up  
Oh ... lay me up, can you lay me up
