Heaven Knows

The Grass Roots

With a song in my heart
and a chance to be yours forever
I couldn't feel more secure
you know I couldn't feel any better(chorus)
Oh Lord heaven knows
How much I love You
and how much it shows
Oh Lord
Heaven Heaven knowsEverytime we're together
Your love is movin
Like Lightnin' through me
it's such a beautiful feeling
never hearing goodbye said to me(repeat chorus)I was living without You
tryin' to make it alone
But there's something about You
now Your heart is my home
(repeat chorus)
