I'll Be Your Man

Hinds

ten minutes of delay
and your anger was no more there.
and i'll clean your blood of all that venom
that keeps you fighting with every mirrori won't let you
i'll be your guide
and i'll close your eyes
and you close your eyes
(uouooo)
I'll make it simple
i don't need no gain
i could be your babe
but i'll be your man
i'll be your man
i'll be your man
i'll be your man.ten minutes before twelve
and your pains are black to the same
and i'll clean your blood of all that venom
that drowns you deep inside what you're afraid of.i won't hurt you
i'll be your guide
and i'll close your eyes
and your close your eyes
(uouooo x4)
I'll make it simple
i don't need no gain
i could be your babe
but i'll be your man
i'll be your man
i'll be your man
i'll be your man.
(uouooo x3)
