

# See See Rider

## Lightnin' Hopkins

You see, see rider, see what you done, done  
See, see rider, you see what you done, done  
You see, see rider, you see what you done, done  
You don't made me love you and now your man don't come  
My home is on the water, I don't like no land at all  
Home's on the water and I don't like no land at all  
My home's on the water and I don't like no land at all  
I'd rather be dead than to stay here and be your dog  
So you see, see rider, see what you done, done  
See, see rider, you see what you done, done  
You see, see rider, you see what you done, done  
You've made me love you and now your man don't come  
I'm goin' away babe, sure don't wanna go  
Goin' away babe, but I sure don't wanna go  
I'm goin' away babe, but I sure don't wanna go  
When I'm leave you this time you'll never see me no more  
So you see, see rider, see what you done, done  
See, see rider, you see what you done, done  
You see, see rider, you see what you done, done  
You've made me love you and now your man don't come  
My home's on the water and I don't like no land at all  
Home's on the water and I don't like no land at all  
My home's on the water and I don't like no land at all  
So goodbye baby, I'm tired of being your dog
