Rancid

if you lose me, you lose a good thing,
thats one thing i know for sure.
if you lose me girl, you lose a good thing,

now Melbourne is a tropical london,
American in a tropical london,
Abandoned in a tropical london,

if you lose me, you lose a good thing,
thats one thing i know for sure.
if you lose me girl, you lose a good thing,

thats one thing i know for sure.

everyday i catch a glimpse of us two,
i'm the one comin to the rescue,
that's why i'm confused your withdrew.
now melbourne is a tropical london,
American in a tropical london,
Abandoned in a tropical london,
oh no...oh no..
if you lose me, you lose a good thing,
