## Underworld

Drive boy, dog boy, dirty numb angel boy  
In the doorway boy  
She was a lipstick boy  
She was a beautiful boy  
And tears boy and all in your inner space boy  
You had hand girls boy and steel boy  
You had chemicals boy, I've grown so close to you  
Boy and you just grown boy  
She said come over, come over  
She smiled at you, boy Drive boy, dog boy, dirty numb angel boy  
In the doorway boy  
She was a lipstick boy  
She was a beautiful boy  
And tears boy and all in your inner space boy  
You had hand girls boy and steel boy  
You had chemicals boy, I've grown so close to you  
Boy and you just grown boy  
She said come over, come over  
She smiled at you, boy Let your feelings slip boy  
But never your mask boy  
Random blonde bio high density rhythm  
Blonde boy, blonde country, blonde high density  
You are my drug boy, you're real boy  
Speak to me and boy dog, dirty numb cracking boy  
You get wet boy, big big time boy, acid bear boy  
Babes and babes and babes and babes and babes  
And remembering nothing boy  
You like my tin horn boy and get wet like an angel  
Derail You got a velvet mouth  
You're so succulent and beautiful  
Shimmering and dirty wonderful and hot times  
On your telephone line and God and everything  
On your telephone and in walk an angel
