Feel Alright

Centory

The sun is shining there's no need to sleep no more
The day is bright and your heart has it's wings to soar
Time will be flying, freedom is at the door
You feel alright, yeah, so what are you waiting for?Celebrity and superstition
Whatever it takes to get some recognition
Selling antiques like they are new ideas
Making you pay to feed the thoughts they stealCall me foolish call me crazy
But all this drama doesn't faze me
Tell me not to run and I will run much faster
Tell me to be quiet and I'll shout it from a mountainThe sun is shining there's no need to sleep no more
The day is bright and your heart has it's wings to soar
Time will be flying, freedom is at the door
You feel alright, yeah, so what are you waiting for?It doesn't take a mathematician
To calculate our rising addiction
To romance, youth and perfected beauty
Packaged preserved for their mass appealYou're not the first to buy their lines
They're not the last to waste your time
Tell me to give up and I will fight much harder
Tell me to be quiet and I'll shout it even louderThe sun is shining there's no need to sleep no more
The day is bright and your heart has it's wings to soar
Time will be flying, freedom is at the door
You feel alright, yeah, so what areIt's a new day different then yesterday
All the concepts fighting for a place in my mind
Well you'll find it's occupied with the divineThe sun is shining there's no need to sleep no more
The day is bright and your heart has it's wings to soar
Time will be flying and freedom is at the door
You feel alright, yeah, so get upThe sun is shining there's no need to sleep no more
The day is bright and your heart has it's wings to soar
Time will be flying, freedom is at the door
You feel alright, yeah, so what are you waiting for?Sun is shining, yeah
Day is bright, yeah
It's a new day, yeah
Feel alright, yeah
So what are you waiting for?
