

# Make Your Own Kind Of Music

## Cass Elliot

Nobody can tell ya  
There's only one song worth singing  
They may try and sell ya  
'Cause it hangs them up  
To see someone like you

But you gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along

You're gonna be nowhere  
The loneliest kind of lonely  
It may be rough going  
Just to do your thing's the hardest thing to do

But you gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along

So, if you cannot take my hand  
And if you must be going, I will understand

You gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along

You gotta make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along
