

# Omg

## Grits

[Verse 1] Hey there shorty  
Had to approach ya  
Couldnt help to notice you baby  
I really got to know your name  
(Yeah) Girl you Caught me off guard looking like a star  
Now I'm part of ya baby  
I aint tryna run no game  
Your tha type  
Type of wife  
Maybe be the one to change your life  
I will oh I will  
I treat you like a queen  
Give you the best  
Track you down  
ice on your neck  
I will oh I will  
[Chorus] Cause you got me saying  
Omg (eh) Omg (eh)  
I never seen a girl like you  
Omg (eh) Omg (eh)  
I really gotta get with you  
Omg Omg  
I just wanna be your man (just wanna be your)
