

Fall Away

Twenty One Pilots

I dont wanna fall fall away
I dont wanna fall fall away
I'll keep the lights on in this place
cause i dont wanna fall away

I disguise and I will lie and i will take my precious time
As the days spent away as i stand in line
and i dye as i wait as i wait on my crime
and ill try to delay what you make of my life but i don't want your way i want mine
i'm dying and im trying but believe me i'm fine
but im lying i'm so very far from fine and

I, I can feel the pull begin
Feel my conscience wearing thin
And my skin it will start
to break up and fall apart

I dont wanna fall fall away
I dont wanna fall fall away
I'll keep the lights on in this place
cause i dont wanna fall away

Every time i feel selfish ambition has taken my vision
my crime is my sentence repentance has take comission
it's taking a toll on my soul i'm screaming submission and
i don't know if i am dying or living
cause i will save face for names sake abuse grace
take aim to obtain a new name and a newer face
but my name is lame i can't walk and i aint the same
and my name i became a new destiny to the grave and

I, I can feel the pull begin
Feel my conscience wearing thin
And my skin it will start
to break up and fall apart

I dont wanna fall fall away
I dont wanna fall fall away
I'll keep the lights on in this place
cause i dont wanna fall away
