LAB

I let down my hairIt's my dayI wear a skirt like shirtJust shorterI sit on a benchThey line up the scoreThey all wish to playAnd don't I have the ball!Girls just want! to beat the boysGirls just wa-a-a-ant!I tie up my hairIt's d-dayI wear a shirt like skirt;Just looserI sit on the'benchWatching players scoreThey won't let me playKick their precious ballGirls just want to beat the boys...girls just wa-a-a-antGirls just want! to beat the boysGirls just wa-a-a-ant!
