

# Something in the Air - American Psycho Remix

## David Bowie

Your coat and hat are gone  
I really can't look at your little empty shelf  
A ragged teddy bear  
It feels like we never had a chance  
Don't look me in the eyeWe lay in each others arms  
But the room is just an empty space  
I guess we lived it out  
Something in the air  
We smiled too fast  
Then can't think of a thing to sayLived with the best times  
Left with the worst  
I've danced with you too long  
Nothing left to say  
Let's take what we can  
I know you hold your head up high  
We've raced for the last time  
A place of no returnAnd there's something in the air  
Something in my eye  
I've danced with you too long  
Something in the air  
Something in my eyeAbracadoo, I lose you  
We can't avoid the clash  
The big mistake  
Now we're gonna pay and pay  
The sentence of our lives  
Can't believe I'm asking you to go  
We used what we could  
To get the things we want  
But we lost each other on the way  
I guess you know I never wanted  
Anyone more than youLived all our best times  
Left with the worst  
I've danced with you too long  
Say what you willThere's something in the air  
Raced for the last time  
Well, I know you hold your head up high  
There's nothing we have to say  
There's nothing in my eyesBut there's something in the air  
Something in my eye

I've danced with you too long  
There's something I have to say  
There's something in the air  
Something in my eyeI've danced with you too long  
Danced with you too long  
Danced with you too long  
There's something in the air  
Something in the air
