

Hooligan's Holiday (extended Holiday Version)

Motley Crue

I'm on a holiday
Hooligan's holiday Drop dead beauties stompin' up a storm
Lines of hell on our face
Bruised bad apples crawling through the night
Busted loose, runaway, runaway Always, always a thrill without a motive
And 30 days, such a haze
Everybody wants a piece of the action, no way
Everybody wants a piece of the pie We're on a holiday
Hooligan's holiday
I'm on a holiday, hooligan's I gotta get away
Hooligan's holiday
We're on a holiday, hooligan's Cross-eyed derelicts are comin'
Iron horse between our legs
Tattoos, black manes flowin'
Every day's a holiday Everybody wants a piece of the action, yes, I do
Everybody wants a piece of the pie
They want a piece of mind We're on a holiday
Hooligan's holiday
I'm on a holiday, hooligan's I gotta get away
Hooligan's holiday
We're on a holiday, hooligan's Modern times and new blood's pumpin'
Only the strong survive
Everybody wants a piece of the action, no way
Everybody wants a piece of the pie I gotta get away
We're on a holiday
Hooligan's holiday
I'm on a holiday, hooligan's I gotta get away
Hooligan's holiday
We're on a holiday, hooligan's Everybody wants a piece of the action
You better get away
Everybody wants a piece of the pie We're on a holiday
Hooligan's holiday
We on our way
