

# Hello It's Me

Todd Rundgren

Hello It's me,  
I've thought about us for a long, long time  
Maybe I think too much but some thing's wrong  
There's something here that doesn't last too long  
Maybe I shouldn't think of you as mine  
Seeing you  
or seeing anything as much as I do you  
I take for granted that you're always there  
I take for granted that you just don't care  
Sometimes, I can't help seeing all the way through  
It's important to me that you know you are free  
'Cause I never want to make you change for me  
Think of me,  
you know that I'd be with you if I could  
I'll come around to see you once in a while  
Or if I ever need a reason to smile  
And spend the night if you think I should  
It's important to me that you know you are free  
'Cause I never want to make you change for me  
Think of me,  
you know that I'd be with you if I could  
I'll come around to see you once in a while, yes I will  
Or if I ever need a reason to smile  
And spend the night if you think I should  
Think of me  
Think of me
