

One Reason

Pennywise

You take the best away
From me then give it all away
You can't control yourself
For anyone
Don't think that you could ever see
That things are not the same
You can't control yourself
For anything Give me one reason to stop your fall (Yeah yeah yeah)
Give me one reason to Answer Your call (Yeah yeah yeah)
Give me one reason why I should care at all Don't think you could understand
But logic rips away
The mask that you put on
For everyone
You feel it slipping from your hands
Still you manipulate
You can't control yourself
For Anything Give me one reason to stop your fall (Yeah yeah yeah)
Give me one reason to Answer Your call (Yeah yeah yeah)
Give me one reason why I should care at all Let someone look inside at what's
Behind the mask where you hide
A mixture of pain and pride the real
You that's been Denied Won't you give me one reason? [Repeat: x 3] Give me one reason to stop your fall (Yeah
yeah yeah)
Give me one reason to Answer Your call (Yeah yeah yeah)
Give me one reason why I should care at all
