Woo, hoo, hoo
Hoo, hoo, hoo
Hoo, hoo, hooYou wanna cry
When you're dealing with the kidsWoo, hoo, hoo
Hoo, hoo, hoo
Hoo, hoo, hooThey know it all
And they're pinning you to the boards
It's a game and you play
But you can't have fun when all they do is say liesThey know it all
And they're pinning you to the boards
It's a game and you play
But you can't have fun when all they do is say lies, lies
