

# Ain't Nothin' But A Maybe

Diana Ross

Could it be he's interested  
Or am I just wanting it to be so?  
Do I dare speak to him  
Should I let the moment go?  
Forget this hunger inside  
Forget this hunger inside  
Should I let the feeling flow  
Should I just let it flow?  
Ain't nothing maybe, baby  
I sure would like to know  
Could it be he's just friendly?  
That ain't nothing to get excited about  
On the other hand he could be answering  
Good vibrations I'm sending out  
Well, I just don't know  
What I'm really seeing  
Should I make a move  
Or keep on day dreaming  
Ain't nothing maybe, baby  
I sure would like to  
I wanna know  
I wanna know  
I wanna know  
I sure would like to  
  
Could it be he's interested?  
Should I let the moment go?  
Forget this feeling inside  
Forget this feeling inside  
Should I let the feeling flow?  
Should I just let it flow?  
Ain't nothing maybe, baby  
I sure would like to  
I wanna know  
I wanna know  
I wanna know  
Forget this hunger inside  
Forget this hunger inside  
Should I let the feeling flow

Should I just let it flow?  
Ain't nothing maybe  
Ain't nothing maybe, baby  
Forget this hunger inside  
Forget this hunger inside  
Should I let the feeling flow  
Should I just let it flow?  
Ain't nothing maybe, baby  
Ain't nothing maybe, baby  
Forget this hunger inside  
Forget this hunger inside
