## Bow Wow Wow

Sir Jungle, Sir Jungle

Jungle boy don't fear  
Jungle boy come near Sir Jungle, Sir Jungle  
Go join your gang, yeah  
See your lover going crazy Jungle boy I view  
Jungle boy come through In the jungle, I love to rumble  
He's the fat guy, he's the bad guy  
When the city turns to rubble Sir Jungle, Sir Jungle

See your lover going crazy Sir Jungle, Sir Jungle  
Go join your gang, yeah  
See your lover going crazy Sir Jungle, Sir Jungle  
Go join your gang, yeah  
See your lover going crazy Sir Jungle, Sir Jungle  
Go join your gang, yeah

See your lover going crazy Sir Jungle, Sir Jungle  
Go join your gang, yeah  
See your lover going crazy In the jungle, I love the rumble  
He's the fat now, he's the bad now  
When the city turns to rubble
