

# We Are the Waccos

## Basshunter

I never see the day lights  
We never watched the time  
We love fast-food  
We are the Waccos I never see the day lights  
The Waccos I never see the day lights  
We never watched the time  
We love fast-food  
We are the Waccos We are the Waccos The Waccos We are the Waccos
