

# All The Words

## Kutless

How do I speak of the indescribable to You?  
I will try to explain these feelings that are true  
So looking to the sky I will sing  
And from my heart to You I bring All of the words in all of my life  
That could never explain and never describe  
All of my love which is nothing to hide  
So I lift up my hands and I worship, I worship You In Your presence I forever choose to live  
I will praise You for it's all I have to give  
So looking to the sky I will sing  
And from my heart to You I bring All of the words in all of my life  
That could never explain and never describe  
All of my love, which is nothing to hide  
So I lift up my hands and I worship By Your grace, You let me come and talk to You  
It's not that I'm worthy I thank you Jesus  
For the love that You have shown All of the words in all of my life  
That could never explain and never describe  
All of my love, which is nothing to hide  
So I lift up my hands and I worship With all of the words in all of my life  
That could never explain and never describe  
All of my love, which is nothing to hide  
So I lift up my hands and I worship, I worship You
