

I Love It

Cassie

People of the world
Listen up
Can I get this track any louder?

Chorus:

I'm in love with you
In every little thing you do
I'm in love with you
I'm in love with you
Can't take my eyes off you
I'm in love with you

Verse 1:

Yeah

I'm in love with you baby
Cause you drive me crazy
I wanna get to know ya
Yeah ? ow
I can tell that you want me
The way you pushed up on me
I know you want me to
Get closer? get closer
If you wanna go
gotta let me know
get closer? get closer
to your lovin?
ah I think I'm fallin?

Chorus:

I'm in love with you
In every little thing you do
I'm in love with you
I'm in love with you
Can't take my eyes off you
I'm in love with you

Verse 2:

Yeah

From the first time I saw ya
Said I couldn't ignore ya
I had to get to know ya

Yeah ? ow

You know it's gettin' late now
And I should be on my way now
I know you want me to
Get closer? get closer
If you wanna go
gotta let me know
get closer? get closer
to your lovin'
ah I think I'm fallin'

Chorus:

I'm in love with you
In every little thing you do
I'm in love with you
I'm in love with you
Can't take my eyes off you
I'm in love with you

Bridge:

And the feeling gets right into ya
And it's sinkin' back to mine
And we can make it ours

Yeah

Even though it's an illusion
It's soakin' and I like
Do you think I'm fallin'
Ah, could it be?

Chorus:

I'm in love with you
In every little thing you do
I'm in love with you
I'm in love with you
Can't take my eyes off you
I'm in love with you
I'm in love with you
In every little thing you do
I'm in love with you
I'm in love with you
Can't take my eyes off you
I'm in love with you...
