

That's What I Get

Nine Inch Nails

Just when everything was making sense
You took away all my self-confidence
Now, all that I've been hearing must be true
I guess I'm not the only boy for you That's what I get
That's what I get
That's what I get
That's what I get How could you turn us into this
After you just taught me how to kiss you?
I told you I'd never say goodbye
Now, I'm slipping on the tears you've made me cry But that's what I get
That's what I get
That's what I get
That's what I get Why does it come as a surprise
To think that I was so naive
Maybe didn't mean that much
But it meant everything to me That's what I get
That's what I get
That's what I get
That's what I get, that's what I get That's what I get
That's what I get
That's what I get
That's what I get, that's what I get, that's what I get
