

# Can't Help But Wonder Where I'm Bound

[Johnny Cash](#)

It's a long and a dusty road, a hot and heavy load  
And the folks that I meet ain't always kind  
Some are bad, some are good, some have done the best they could  
And some have tried to ease my troubled mind And I can't help but wonder where I'm bound, where I'm bound  
Can't help but wonder where I'm bound I've been wandering through this land just doing the best I can  
Trying to find what I was meant to do  
And the people that I see look as worried as can be  
And it looks like they are wandering too And I can't help but wonder where I'm bound, where I'm bound  
Can't help but wonder where I'm bound Well, I had a little girl one time, she had lips like sherry wine  
And she loved me till my head went plumb insane  
But I was too blind to see she was drifting away from me  
And my good gal went off on the morning train And I can't help but wonder where I'm bound, where I'm bound  
Can't help but wonder where I'm bound If you see me passing by and you sit and you wonder why  
And you wish that you were rambling too  
Nail your shoes to the kitchen floor, lace 'em up and bar the door  
Thank your stars for the roof that's over you And I can't help but wonder where I'm bound, where I'm bound  
Can't help but wonder where I'm bound  
I can't help but wonder where I'm bound, where I'm bound  
Can't help but wonder where I'm bound
