

Not My Idea

Garbage

I bit my tongue and stood in line
With not much to believe in
I bought into what I was sold
And ended up with nothing This is not my idea of a good time
This is not my idea of a good time
This is not my idea of a good time
This is not my idea You thought that I would never see
What was meant for you was meant for me
I was distracted at the time
Forget about yours, now what about mine? This is not my idea of a good time
This is not my idea of a good time
This is not my idea of a good time
This is not my idea You thought I was a little girl
You thought I was a little mouse
You thought you'd take me by surprise
Now I'm here burning down your house This is not my idea of a good time
This is not my idea of a good time
This is not my idea of a good time
This is not my idea
