

Respectable

The Rolling Stones

Well now we're respected in society
We don't worry about the things that we used to be
We're talking heroin with the president
Well it's a problem, sir, but it can't be bent
Uh yes!

Well now you're a pillar of society
You don't worry about the things that you used to be
You're a rag-trade girl, you're the queen of porn
You're the easiest lay on the White House lawn
Get out of my life, don't come back
Get out of my life, don't come back

She's so respectable

She's so respectable

She's so delectable

She's so respectable

Get out of my life

Don't take my wife

Don't come back

Get out of my life

Don't take my wife

Don't come back

What I say!

She's so respectable

She's so respectable

She's so respectable

She's so respectable

Get out of my life

Don't take my wife

Don't come back

Oh get out of my life

Don't take my wife

Don't come back

She's so respectable

She's so respectable

She's so delectable

She's so respectable

Get out of my life

Don't take my wife

Don't come back...woo!

Get out of life
Don't take my wife
Don't come back
Get out of my life
Don't take my wife
Don't come back, come back, hey
