# Here's To Us

## Glee Cast

We could just go home right now
Or maybe we could stick around
For just one more drink, oh yeah
Get another bottle out
Let's shoot the breeze
Sit back down
For just one more drink, oh yeah

Here's to us
Here's to love
All the times
That we messed up
Here's to you
Fill the glass
Cause the last few days
Have gone too fast
So lets give em hell
Wish everybody well
Here's to us
Here's to us

We stuck it out this far together
Put our dreams through the shredder
Let's toast cause things got better
And everything could change like that
And all these years go by so fast
But nothing lasts forever

Here's to us
Here's to love
All the times
That we messed up
Here's to you
Fill the glass

Cause the last few nights
Have gone too fast

If they give you hell
Tell em to forget themselves

Here's to us
Here's to us

Here's to all that we kissed
And to all that we missed
To the biggest mistakes
That we just wouldn't trade

To us breaking up
Without us breaking down
To whatever's come our way

Here's to us
Here's to us!

Here's to us
Here's to love
All the times
That we messed up

Here's to you
Fill the glass

Cause the last few days
Have gone too fast

So let's give em hell
Wish everybody well

Well!

Here's to us
Here's to love

All the times
That we messed up
Here's to you
Fill the glass
Cause the last few nights
Have gone too fast
If they give you hell
Tell em forget themselves

Here's to us

Here's to us

Oh here's to us

Here's to us

Here's to us
Here's to love
(Here's to us)

Wish everybody well

Here's to us
Here's to love
Here's to us

Here's to us
