

Time to Grow Up

Bodyjar

The people I know have heard so many things.
But things just ain't the same no more.
Can't decide if I should do the same.
So when you left we all asked why.
I tried to see the lighter side,
of what we're doing with our lives today.
It's not the time to grow up anyway.
Time to grow up.
I never thought that you would be the first,
the words could never be reversed.
Got your job and now you're on your way.
So I'm wasting all my time,
just being here from day to day.
Got no need to leave until I'm done.
