If You Do, If You Don't

Cartel

Let's get out
Let's get out of here
I'll go it alone if I have to but,
I need you there
I'm honest with nobody else
Whether or not I make it there is will itself
I'm honest with only myself
How I can't afford to lose you now,
Not in this hell

I'll stay with you

I'm a mess
A total wreck
A poor excuse without you near to
Keep me in check
Take me out, take me anywhere
I'm out of touch with everything
And I don't care
I must be out of my mind
All that I have to give to you
Is all my time

I'll stay with you
And we'll say over and over
I'm a waste of time
