

# Love The Way You Lie (Nik Fish Hard Remix)

Eminem

Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I can't tell you what it really is, I can only tell you what it feels like  
And right now there's a steel knife in my windpipe  
I can't breathe but I still fight, while I can fight  
As long as the wrong feels right it's like I'm in flight  
High off her love, drunk from her hate, it's like I'm huffin' paint  
And I love her the more I suffer, I suffocate  
And right before I'm about to drown, she resuscitates  
Me, she fucking hates me and I love it, wait  
Where you going, I'm leaving you, no you ain't  
Come back, we're running right back here we go again  
It's so insane, 'cause when it's going good it's going great  
I'm Superman with the wind at his back, she's Lois Lane  
But when it's bad it's awful, I feel so ashamed  
I snapped "who's that dude?", I don't even know his name  
I laid hands on her, I'll never stoop so low again  
I guess I don't know my own strength  
Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie  
You ever love somebody so much, you can barely breathe when you're with 'em  
You meet and neither one of you even know what hit 'em  
Got that warm fuzzy feelin', yeah them chills used to get 'em  
Now you're gettin' fuckin' sick of lookin' at 'em  
You'd swore you'd never hit 'em, never do nothing to hurt 'em  
Now you're in each others' face, spewing venom in your words when you spit 'em  
You push pull each others' hair, scratch claw bit 'em  
Throw 'em down pin 'em, so lost in them moments when you're in 'em  
It's the rage that took over, it controls ya both  
So they say you're best to go your separate ways, guess that they don't know ya  
'Cause today, that was yesterday, yesterday is over  
It's a different day, sound like broken records playin' over

But you promised her, next time you'll show restraint  
You don't get another chance, life is no Nintendo game  
But you lied again, now you get to watch her leave out the window  
Guess that's why they call it window pane  
Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie  
Now I know we said things, did things, that we didn't mean  
Then we fall back into the same patterns, same routine  
But your temper's just as bad as mine is, you're the same as me  
But when it comes to love, you're just as blinded, baby please  
Come back, it wasn't you, baby it was me  
Maybe our relationship isn't as crazy as it seems  
Maybe that's what happens when a tornado meets a volcano  
All I know is I love you too much to walk away though  
Come inside, pick up your bags off the sidewalk  
Don't you hear sincerity in my voice when I talk  
Told you this is my fault, look me in the eyeball  
Next time I'm pissed, I'll aim my fist at the dry wall  
Next time, there will be no next time, I apologize  
Even though I know it's lies, I'm tired of the games  
I just want her back, I know I'm a liar  
If she ever tries to fuckin' leave again, I'ma tie her to the bed and set this house on fire  
Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie
