

Let Yourself Go (Demo)

Green Day

Shut your mouth 'cause you're talking too much
And I don't give a damn anyway
You always seem to be stepping in shit
And all you really do is complain
Hitch a ride, tell it how you like
Small minds tend to think a like Shut your mouth 'cause you're talking too much
And I don't give a fuck anyway Chorus:
Let yourself go, let yourself go, let yourself go (x4)
Gotta let it go, gotta let it go (x2) Cut the crap 'cause you're screaming in my ear
And you're taking up all of the space
You're really testing my patience again
And I'd rather get punched in the face
You're getting on my every last nerve
Everything you've said I've already heard I'm sick to death of your every last breath
And I don't give a fuck anyway
Let yourself go, let yourself go, let yourself go (x4)
Gotta let it go, gotta let it go (x4) (Guitar Solo) Always fuck, fuckin' with my head now (x3)
Always fuckin' with my head
And I gotta let it go Chorus:
Let yourself go, let yourself go, let yourself go (x8)
