

Boys Go Crazy

Paradiso Girls

Whatchu know about the Stereotypes?)
(Sexy girl... Got me going crazy... Crazy, crazy, crazy)She a bad bitch, I'm a bad bitch
You a bad bitch, she a bad bitchChelsea
Sexy girls you got all the boys in your pocket
It's your sexy world to come out and let's go shopping
I've got three cards and my ring
Honey and I gotta spend my bling
I got money, I got cash, baby now where you at?Sweat, sweat, sweat, that's what happens when all the boys
Want you out of your tights, tights, tights
You know the ones with zipper the black leather
Like a rock and roll killer, killer, K-killer,
K-k-killer, killer, K-killer, killer, K-k-killer, K-killer, k-k-k-kShe gets in the club in with no cover
With no lies you sexy motherfucka
Drinks on the house cause all the boys love her
Boys go, boys go, boys go crazy
She gets in the club with no cry
When things shine, won't shine till she wild
And she do anything to make wild
Boys go, boys go, boys go crazy(Crazy, crazy, crazy...)Lauren
Crazy boy love to see you come over to me
With two open fours with the bartender, bartender
Two shots, here we go, timbalands, now where's the show
You got money, you got cash, holler, where you at?Sweat, sweat, sweat, that's what happens when all the boys
Want you out of your tights, tights, tights

K-killer, k-k-killer, K-killer, k-k-k-kShe gets in the club in with no cover
With no lies you sexy motherfucka
Drinks on the house cause all the boys love her
