Fall In Love (feat. Ciscero)

GoldLink

Fall in love, oh, oh, fall in love
Wish I never did it, I don't wanna love, love
Fall in love, oh, oh, fall in love
Wish I never did it, I don't wanna love, loveBaby girl don't throw things about me
I'm too speck girl, I'm bad for everybody
Baby girl don't tell your friends
That nigga with a neck tat
Respect that
Old bitch, she ain't like that
She left that
Dropped one tape, two tape
Brand new can't even get a hold off a nigga
Pose with a man that's like that
Smooth nigga does no-no rappin'
New girl, 5 starsâ€‹, she an actress
She's so used to the light, so plastic
By the lake, LA like Magic
Spit rappin'
No plan, just glasses
A bad habbit
Then I tell them, babyFall in love, oh, oh, fall in love
Wish I never did it, I don't wanna love, love
Fall in love, oh, oh, fall in love
Wish I never did it, I don't wanna love, loveYeah girl you know I'm too legit here
And I'm amazed that I be coolin' with hooligan
Girl I told you I ain't one you foolin' with
Not communicatin' but I get that from my mama
It's a jungle of gorillas while you fuck with anacondas
I'm a Zulu Nation rapper, get the hammer like your honor
Keep it movin' for my partners, ain't no hoovin' in mi casa
Ain't no hoopin', she just dancing at the juices but not Fanta
Got the juice and then I lost it
I put two in my deposit last week
But I made that cat weak, fact sheet ay
Do not fall in love with that nigga wrap sheet, ay
You know I'm just out here tryna pass me, ay
Young Ciscero keep that ass nasty, ay
I don't know bout that but I do love
This right here, this that group love

Hey, so what happened to love
This inside the shoe, kitchen loot eh
