

A House With Love in It

[Nat King Cole](#)

A house with love in it is rich indeed
Although there are a thousand things that house may need
The carpet may be old, the room so plain and bare
And yet it's beautiful somehow when love is living there
A house with love in it just seems to bloom
As though the month of May were filling every room
So darling true the years with all my heart I'll pray
A house with love in it is where we'll stay
