

Seasons in the Abyss

Hellsongs

Razors edge
Outlines the dead
Incisions in my head
Anticipation the stimulation
To kill the exhilarationInert flesh
A bloody tomb
A decorated splatter brightens the room
An execution a sadist ritual
Mad intervals of mind residualsClose your eyes
Look deep in your soul
Step outside yourself
And let your mind go
Frozen eyes stare deep in your mind as you die
Close your eyes
And forget your name
Step outside yourself
And let your thoughts drain
As you go insane... go insaneInnate seed
To watch you bleed
A demanding physical need
Desecrated eviscerated
Times perpetuatedClose your eyes
Look deep in your soul
Step outside yourself
And let your mind goClose your eyes and forget your name
Step outside yourself and let your thoughts drain
Close your eyes
Look deep in your soul
Step outside yourself
And let your mind go
Frozen eyes stare deep in your mind as you dieClose your eyes and forget your name
Step outside yourself and let your thoughts drain
As you go insane... go insaneClose your eyes and forget your name
Step outside yourself and let your thoughts drain
As you go insane... go insane
