

Jesus Frankenstein

Rob Zombie

All hail
Eyes of a sideshow
Teeth of a dog
Face of a marvel
Wander in the fog
Into ragged mountains
Savior of the breed
Vandal of the vultures
Begging you to feed
All hail Jesus Frankenstein
All hail Jesus Frankenstein
All hail Jesus Frankenstein
All hail
Fingers of a madman
Arms of a hoax
Hands of deception
Slide under the cloaks
Behold, he is sickness
Hallowed be thy name
Redeemer of the witches
Is what he became
All hail Jesus Frankenstein
All hail Jesus Frankenstein
All hail Jesus Frankenstein
All hail
Body of a prophet
Hands of a snake
Mind of a devil
Walk among the fakes
As you perceive him
Hallowed be thy name
Into the blackness
Into the vein
All hail Jesus Frankenstein
All hail Jesus Frankenstein
All hail Jesus Frankenstein
All hail Jesus Frankenstein
