Damned If I Do

The Alan Parsons Project

I ain't got a heart of gold
I'm hurtin' more now, than I've ever known
You mean the things you said
I'm gonna wind up out of my head
Can't sleep alone at night
I just can't seem to get it right
Damned if I do
I'm damned if I don't but I love you
I don't wanna tie you down
Don't need a reason to have you around
But each time you walk away
Don't be surprised if I ask you to stay
Can't sleep alone at night
I just can't seem to get it right
Damned if I do
And I'm damned if I don't but I love you

I said, I'm damned if I do
And I'm damned if I don't 'cause I love you
I ain't got a heart of stone
You haven't left me a mind of my own
But it's got such a hold on me
I don't think I could ever be free
How can I survive?
I'm fighting to keep myself alive
I'm damned if I do
Damned if I don't but I love you
Can't seem to see the light
I've done everything but I can't get it right
Damned if I do
Damned if I don't but I love you
