These Times Are Changing

The Struts

Alright
I'm ready babyI started at the bottom
I dreamed about the top
I've been the man I am and who I'm not
I've danced inside the ring
I've fallen to the floor
I spat on my own teeth but I'm back for moreYou ready?
'Cause I'm ready
So come on everyone believe me it's about to get heavyAll I know is these times are changing
All I know is these times are changing
Everything's about to get crazy
'Cause all I know is these times are changing
'Cmon babeI made it to the stage
I've done a thousand shows
I just learn to sweat let's see how far it goes
I've been to New York city
I've met the Rolling Stones
Mama she cannot buy me your weight in goldYou ready baby?
'Cause I'm ready
So come on everyone believe me it's about to get heavyAll I know is these times are changing
All I know is these times are changing
Everything's about to get crazy
'Cause all I know is these times are changing
'Cmon babyC'mon clap your hands
Get into it baby
Ladies and gentleman
For all of your entertainment
It's justAre you ready baby?
'Cause I'm ready
So come on everyone believe me it's about to get heavyAll I know is these times are changing
All I know is these times are changing
Everything's about to get crazy
'Cause all I know is these times are changing
All I know is these times are changing
All I know is these times are changing
Shit in here's about to get crazy
'Cause all I know is these times are changing
All I know is these times are changing
All I know is these times are changing

Everything's about to get crazy
'Cause all I know is these times are changing
All I know is these times are changing
All I know is these times are changing
Everything's about to get crazy
'Cause all I know is these times are changing
