Hangover Activator

Lost Society

Rundown and feeling like I'm buried alive
My face tells a story of a man dead inside
The showdown of yesterday I'm blown out again
The truth: I don't feel like a perfect tenDrinking and gambling
Fighting and babbling
The lesson I've learned but do not acceptIt's the hangover activator
Activator
It's the hungover activator!I lost it, it costs but I've been here before
Voices are telling me I need some more
Dealing with it, I'm trying to survive
If it doesn't work out I can always dieEins, zwei, drei, vier!
