

Mental Hopscotch (Kevin Haskins / Bauhaus Remix)

Missing Persons

Sometimes you say, you will
Sometimes you say, you won't
You always keep me waiting
Waiting, hesitating, hating At times, I think you do
At times, I think you don't
My mind is rollerskating
Skipping, jumping rope then fading Mental hopscotch
Why must you treat me this way?
Mental hopscotch
Ready or not, I'm going away there Why can't you be like this?
Why can't you be like that?
I don't know where I am?
Or where, or where I'm at? So now you got me up
An' now you got me down
You will be walking, you'll be talking
Watch me now, it's crazy Mental hopscotch
Why must you treat me this way?
Mental hopscotch
Ready or not, I'm going away Mental hopscotch
Cover your eyes and count to 10
Mental hopscotch
Don't do 'em up till I say when So now you got me up
And now you got me down
You will be walking, you'll be talking
Watch me now, it's crazy You don't think twice
About what I might say
I follow you around an' play
An' play, an' play, an' play, an' play Mental hopscotch
Why must you treat me this way?
Mental hopscotch
Ready or not, I'm going away Mental hopscotch
Cover your eyes and count to 10
Mental hopscotch
Don't do 'em up till I say when Mental hopscotch
Do me, dump me, rill me, rock me
Mental hopscotch
Rollerskating, skipping, fading Mental hopscotch
Mental hopscotch
