

# No One Can Steal Our Joy

## Tenth Avenue North

Even when the fear surrounds us  
Even in the dead of night  
Even in the darkest shadow  
You will never leave our side  
Even when our dreams are shattered  
And all of our strength gives way  
You're the hope that can't be taken  
Even in the midst of pain No one can steal our joy  
Nothing can ever destroy  
the light in our eyes  
Christ our delight  
Our hope and reward  
No one can steal our joy  
No one can steal our joy Even if our hearts betray us  
Tears are falling down our face  
If we ever feel forsaken  
We know You have felt the same  
Even when we fight temptation  
Even when we stand accused  
We know that you will defend us  
We can always run to You No one can steal our joy  
Nothing can ever destroy  
the light in our eyes  
Christ our delight  
Our hope and reward  
No one can steal our joy  
No one can steal our joy What can man do to us?  
What can hell throw at us?  
We give our idols up  
The best is yet to come What can man do to us?  
What can hell throw at us?  
We give our idols up  
The best is yet to come We give our idols up  
The best is yet to come No one can steal our joy  
No one can steal our joy  
Nothing can ever destroy  
the light in our eyes  
Christ our delight  
Our hope and reward

No one can steal our joy  
No one can feel our joy Oh oh no  
Oh oh, no one can steal our joy
