Baby

Ub40

Baby be true and i`ll give my love to you,
I need you baby.
Treat me right and i`ll love you day and night,
I mean it baby.
When you`re down i`ll be around,
To guide you baby.
When you`re free just call on me, baby.
I`ll give my heart to you , now babe.

I`ll do what you ask me too, now babe.
I mean it baby.
I`m gonna treat you, treat you right
I`m gonna love you day and night
I`m gonna give my heart away
I`m gonna love you night and day
Baby, baby.
