

# The Summer Wind

**Madeleine Peyroux**

The summer wind came blowing in  
From across the sea  
And it lingered there, so warm and fair  
To walk with me All summer long we sang a song  
And strolled on golden sand  
Two sweethearts  
And the summer wind Like painted kites, those days and nights  
Went flyin' by  
The world was new beneath a blue  
Umbrella sky Then softer than a piper man  
One day it called to you  
And I lost you  
To the summer wind The autumn wind and the winter wind  
Have come and gone  
And still those days, those lonely days  
Go on and on And guess who sighs her lullabies  
Through nights that never end  
My fickle friend  
The summer wind The summer wind
